CAN YOU COMPLETE THE MAZE?

WORD PUZZLE

Using just the letters in the word below, can you make at least 10 new words?

Rules: You may only use a letter as many times as it is shown in the word.

Each word must be at least 3 letters long. Good luck!

SOUTHEAST ASIA

ELEPHANT FUN FACTS!

There are three different species of elephant – the African Savannah elephant, the African Forest elephant and the Asian elephant

There's an easy way to tell the African elephants apart from their Asian cousins – their ears! African elephants have large ears shaped like the continent of Africa! Asian elephants' ears are smaller and shaped like India. Cool, huh?

Elephants can swim and use their trunk as a snorkel.
